

Dear Customer,

For over 20 years, Bradley Products, Inc. has offered the highest quality tissue marking dyes. Our customers have been extremely complimentary, loyal, and of great value to us in offering feedback, suggestions, and continuing to find new applications for our dyes each year. We thank you for the important role you play in helping us provide quality products.

We are pleased to announce that our seventh color of Davidson Marking System® dyes — **VIOLET**, is available immediately in any of our sizes: 2 ounce (fits in holding trays), 8 ounce refill, and our new 16 ounce wide mouth jar.

We hope you'll take advantage of the offer below and try a 1 ounce sample of our **NEW VIOLET** color, free of charge.

Bradley Products is proud to be part of the laboratory community, not just as a vendor, but as a company who works closely with customers to continually improve the process of tissue marking. It is our goal to provide products that make your work more accurate, efficient and economical. As always, we invite your comments and suggestions. Please feel welcome to call, write or e-mail us at any time.

Thank you again for your continued interest in The Davidson Marking System®!
